NeverWire USB

Powerline USB Bridge

INTERNET AT ANY ELECTRICAL OUTLET!

Need a speedy Internet connection in the kids' room? How about the kitchen? Or maybe out on the deck? It's easy with the NeverWire USB and your existing broadband Internet connection. No tearing into walls to install cable! Just reliable broadband Internet access from any room in your home or small office, from the world leader in powerline technology. Phonex Broadband has sold over 9 million powerline products.

Concerned about security? The NeverWire USB's 56-bit DES security option makes it easy to protect your privacy. Load the easy-to-use software and set a new password.

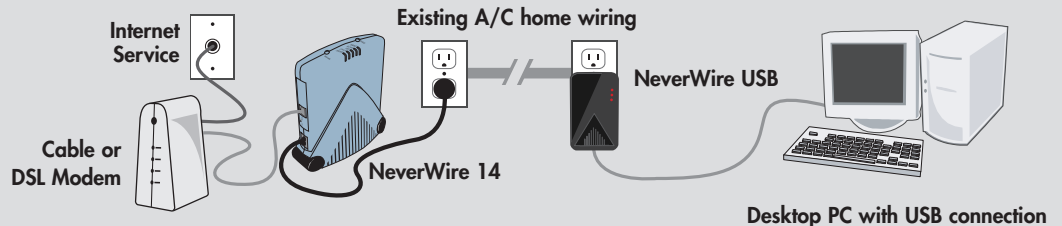

You can also use the NeverWire USB to network any host controller USB device – computers, game consoles and more.

The NeverWire USB comes with a 30-day, no-questions-asked, money-back guarantee from Phonex Broadband. No hassles!

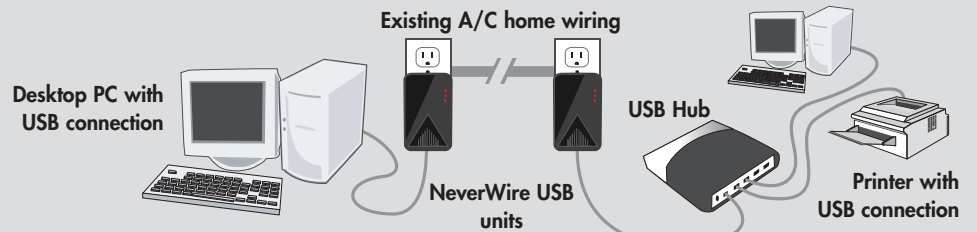

EASY INSTALLATION FOR A VARIETY OF HOME OR SMALL OFFICE NETWORK SOLUTIONS

Extend your high-speed Internet access anywhere in your home or small office:

Network computers together and share files at high-speed network transfer rates:
